Global Peer Network

The HR Policy Global staff has experience working with many attorneys and experts globally and will help connect you to known and trusted resources in key international markets.

“Given how COVID-19 has fundamentally changed the way we work, I have found it increasingly difficult to stay current on global trends and regulations. I am grateful for the work of HR Policy Global for being an extension of my team and keeping us up to speed every day as we operate in nearly 20 countries.”

- Barb Runyon, SVP, CHRO, Gentherm Corporation
